

Additional data charges price list

This document outlines the charges for customers that use additional data above their monthly data limit. Customers have the option to pre-purchase data bundles. Alternatively, if they do not purchase a data bundle, and exceed their data allowance, overage charges will automatically be applied to their account.

Prepaid data bundles

Home / Residential packages

Data bundle	Price (inc VAT)
25GB	£10
50GB	£15
100GB	£20

Business packages

Data bundle	Price (ex VAT)
25GB	£8.33
50GB	£12.50
100GB	£16.67

Overage charges

Overage charges are charged per 10GB of additional data used above your data limit. Overage charges vary depending on your broadband package.

Home / Residential packages

Package	Monthly data limit	Overage charge per 10GB (inc VAT)
Fibre Lite	100GB	£5
Wireless Home Starter	60GB	£5
Wireless Home Family	300GB	£5
Wireless Home Worker	500GB	£3.60

Business packages

Package	Monthly data limit	Overage charge per 10GB (ex VAT)
Wireless Business Standard	750GB	£6
